

# SEASHORE TROLLEY MUSEUM

A vintage Seashore Trolley Museum trolley is shown on a track. The trolley is a light-colored, open-sided vehicle with ornate metalwork and a decorative roof. It is filled with passengers, including children and adults. A conductor in a white shirt and cap stands at the front of the trolley. The trolley is moving along a track that crosses a gravel area. In the background, there are tall evergreen trees and a small red building. A crowd of people is gathered on the right side of the track. The scene is set in a sunny, outdoor environment.
